A DUCATI TO COLOR

Race toward your box of Crayolas® to get this fun frame colored fast!

**Customize this snazzy speedster
with your own logo!**

Super Bikes were first created in Bologna, Italy. What makes them super? Gigantic engines! Their special valves open and shut faster than other bikes. For sheer speed and fast action, motorcycle racers fly on Super Bikes. And, like all things Italian, their super-modern frames are sharp and stylish.
